of the

23rd NOVEMBER CLASSIC

a

TSB LIFE RANKING EVENT

Sunday 4th November 1990

PLANNERS' COMMENTS

Gerry Barrell & Richard Moss

We would like to thank David Lee for his careful and co-operative controlling.

ORGANISER'S COMMENTS

Robert Jackson

I must first of all thank the Planners for making my task as Organiser much easier than it might otherwise have been. The choice of Start and Finish was the key to a very simple site strategy. It was also my good fortune to have a Controller of David Lee's calibre and experience and the success of this event was largely due to his philosophy of "leaving nothing to chance".

Each year the Classic presents us either with a new map or an opportunity to try out some new ideas. This year it was the latter and our main experiment was map pick-up at -1 minute. This is becoming common practice in Northern Badge events and we felt it was a good opportunity to try it out in the South. The majority of reactions so far have been favourable but the more "feed back" we can get the better.

Amongst the unsung heroes of the day was SOC's Alastair Garland who gave up his run to help an injured competitor. We join Roy Wood in thanking Alastair, the driver of the Ryde School minibus and the St. John Ambulance team for assisting him.

Congratulations go to Peter King of DEVON who successfully completed his 22nd consecutive November Classic. Any advance on 22?

Many thanks to all the club members who helped so willingly on the day.

LOST PROPERTY

- 1 black bobble hat with blue bands.
- 1 pair child's pink mittens.
- Miscellaneous mittens and gloves

CONTROLLER'S COMMENTS

David Lee

It is always a pleasure to control an event. When it is an SOC one, the certainty of sound, sensible and thoughtful organisation and planning enhances that pleasure. Robert Jackson's organisation was excellent and this was in no small way due to committed team leaders and willing, cheerful helpers. As with all the best organisers, his line to the weather creators was clear and effective. Richard Moss and Gerry Barrell made excellent use of the forests - their courses optimised the forest route, keeping path running to a minimum. Their approach was such as to render my tasks simple. Our objective was to offer you, the competitors, a good course. Your comments after the event clearly gave us cause to believe that we achieved our

FINAL RESULTS

objective.

The punching in one or two cases was faint, so faint in one senior man's case that disqualification would have been as fair as passing the card. However we took the generous line - perhaps we were wrong. My thanks go to you, the competitors; you were most kind. Also to all the members of SOC who helped, to Robert Jackson, Richard Moss and Gerry Barrell for their understanding and hard work and to the kind hosts on whom my wife and I trespassed in the run up to the event and on the weekend itself. I hope your memories of November Classic 1990 will be as long lasting and pleasant as mine.
