

SUMMER BBQ AND ORIENTEERING AT HURSLEY PARK FOR MEMBERS, FAMILY AND FRIENDS SATURDAY 22ND JULY 2017

Venue

IBM Hursley Club, IBM UK Labs, Hursley Park, Hursley, Winchester SO21 2JN

Orienteering

This is a closed event and will take place within the Hursley Park Estate, which is a mixture of estate type parkland, ornamental gardens and office buildings, with all control sites being technical difficulty three or below. Courses have been planned so the younger children can avoid crossing estate roads.

Starts from 11.30 to 12.30hrs., courses close 13.30hrs.

There will be three event options which are all free to enter, however, competitors are encouraged to take part in the team score event.

Team Score

People who opt for this will be allocated to teams by the Club Captain to make a fun event for all. If you have a special team request please let the Captain ([christine \(at\) curries.org.uk](mailto:christine@curries.org.uk)) know. The teams will be able to start once all members have arrived, so please bear this in mind if you will be arriving much after 11.00hrs.

All 3 punch start together after which each team will be issued with 3 maps. The team should plan who collects which controls before setting off. There will be an easy loop for the younger and less experienced orienteers.

Individual Score

Alternatively, competitors may enter the score event as individuals. A time limit of 45 minutes is allowed with a penalty for being late.

Do Your Own Thing

Members may plan their own course using the available controls

- Control descriptions, both text and symbols, will be printed on the back of the map.
- Out of bounds areas (shown with red hatching and crosses on the map) must be respected. One OOB area has a crane in it. Please keep away and comply with any requests made by site staff. Out of bounds is marked on the maps, but not generally marked on the ground.
- We plan to have a Maze - O and some team games (including silly relays)
- Competitors take part at their own risk.

BBQ

The BBQ will be ready for cooking soon after 12.00hrs. SOC will provide a range of salads & breads, etc., but please bring your own BBQ items to cook together with plates, knives, forks, etc.

If you would like to bring a cake to share, then this would be appreciated.

You are welcome to bring soft drinks, but if you wish to drink alcohol, then due to the licensing rules, this must be purchased from the IBM club house.

To allow SOC to organise catering and maps, please email both Ian Moran (ian_moran (at) btinternet.com) and Julian Hartwell, (Julian (at) hartwell.org.uk) by Thursday 20th July if at all possible.

Officials

Planner: Julian Hartwell
Organisers: Ian & Caroline Moran
