November Classic

Burley West, New Forest 02/11/2006

Planner's Comments: None

Controller's Comments: John Parfitt SARUM

This was a very well planned and run event, most orienteers seemed to have enjoyed their runs and the finish times targets were spot on. We had a small scare with a lost junior runner but he returned OK just as the rescue plan was being implemented. On behalf of the competitors can I thank Robin, Joe and all the SOC members helping for their time and effort.

Organiser's Comments: Joe Parkinson SOC

Thank you all for competing in this years November Classic. November is perhaps the best time to experience what the New Forest has to offer. I am thankful the weather stayed dry for us as the longish walk to the start /finish could have been miserable. Can I also thank all the SOC team who eased my job as organiser, Dan Tanner, for allowing us to use his field, and the SARUM first aid team who stood at their post until every one was out of the forest.

Lost Property

1 pair black woollen gloves

1 red rucksack

2 compasses

1 head band
